

All the Things You Need to Know . . .

How will I access the virtual events?

When you register, you will receive an email with complete access instructions and a link to directly access the conference website.

Is the 2020 Annual Conference canceled?

No, but to ensure everyone's safety and well-being, the LCA Annual Conference is being converted to a virtual conference this year. While we'll miss seeing everyone in person, we're very excited about creating a new way to bring us together during this unique time and are working fast and furiously to build the best possible virtual experience.

What if I've already registered?

For those who have already registered for the Annual Conference, you don't need to do anything now. Your registration will automatically transfer to the new virtual event and we will provide you with options on any pricing differences.

I booked a hotel room at the Crowne Plaza Hotel. Will that be canceled automatically?

The Crowne Plaza will automatically cancel your hotel reservation. You should have received a cancellation notice from the hotel via email.

Who can I contact for more information?
